

Activity Outline

Title:

Homemade Bagged Ice Cream

Materials needed:

1 small (snack size) "zipper" bag per person

1 large (pint size) "zipper" bag per person

¼ cup rock salt or table salt

1 1/2 to 2 cups of ice per person

1-2 drops of vanilla extract

1 tablespoon of sugar per person

1/2 cup of milk per person

Time/Duration:

15 - 30 minutes

Directions:

Measure out ingredients (vanilla, sugar, and milk) into a small bag.

Seal carefully. Shake to mix.

Place the small bag inside the large one.

Fill the large bag with ice and salt.

Shake the mixture in the bag until it is hard. (This should take approximately 5 minutes.)

Take the small bag out of large bag and remove excess ice and salt from the top of the small bag.

Enjoy your homemade ice cream!
